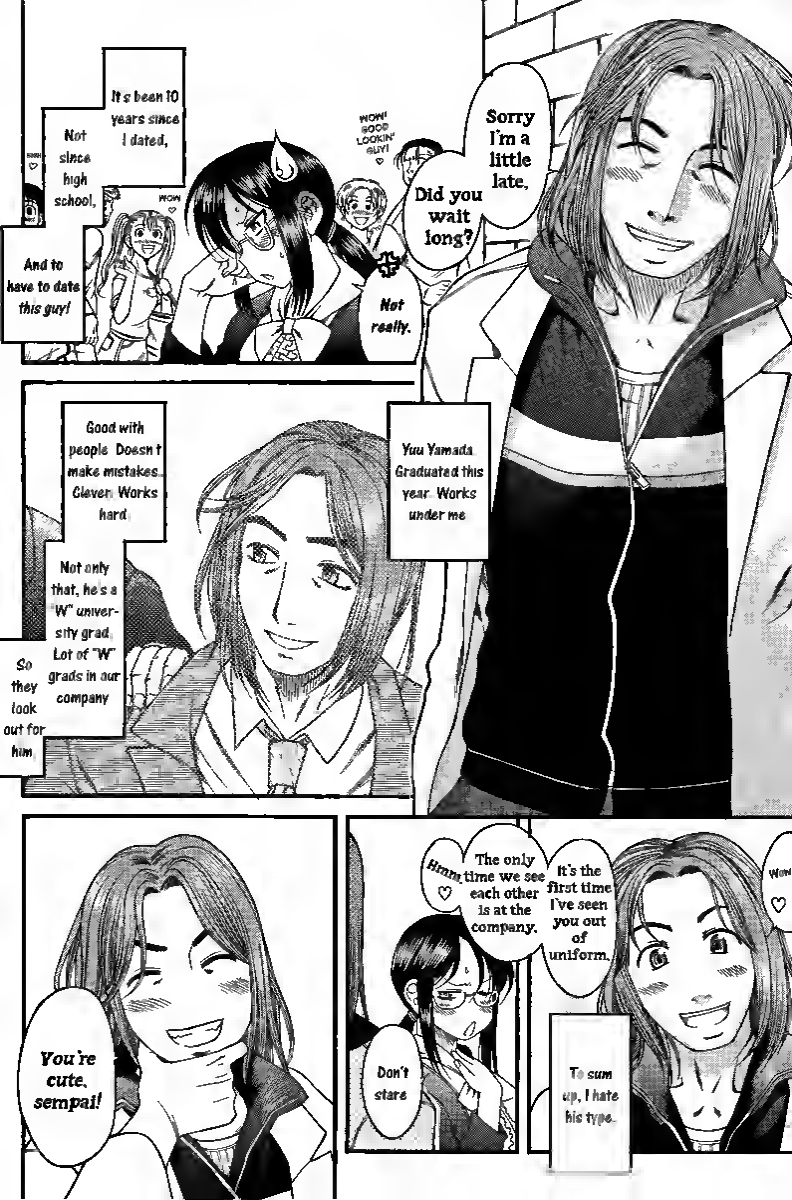
Killed myself learning the job, and time just flew on by
. . .to tell the truth
Went to work right after high school.
Before I knew it, I was 30.
If the exec's concepts aren't firm,
we can't even do the layout!
I didn't want to be showed up by the college grads
My work actually recognized my talents,
And even though I'm a woman, promoted me to dept. Chief
I had no need for a boyfriend or anything
.. Sigh
I'm responsible and have my pride, so I was pretty fulfilled.
Why do I have to do this...
So .
Uehara sempai!



It's been 10 years since I dated,
Not since high school,
WOW!
And to have to date this guy!
WOW!
WOW! GOOD LOOKIN' GUY!
Sorry I'm a little late,
Did you wait long?
Not really.
Good with people. Doesn't make mistakes. Cleven. Works hard.
Not only that, he's a "W" university grad. Lot of "W" grads in our company
So they look out for him.
Yuu Yamada. Graduated this year. Works under me.
You're cute, sempai!
Hmm
The only time we see each other is at the company.
It's the first time I've seen you out of uniform.
WOW!
Don't stare
To sum up, I hate his type.

Don't mess with a 30 year old woman!
Think how old I am!
Jerk!
Don't call me cute!
No, you're really cute!
Cough
You must tell that to all the girls.
Not falling for that.
I'm,
Owing him...
If I didn't end up owing him one,
That day. Ow.
To date someone 7 years younger than me? Seriously?
This is the mistake of my life.

Well...
SFX: TH-THUMP
It normally comes.
Ah... um...
To this.
Well Umm
What do you think?
Gimme a break
This is what you planned all along.
Sure,
Let's go on in
Get it on..
And get it over with .
GASP GRUNT

SFX: FLUSH!
Ah, geez
Mayba this is how it's done?
well, I don't really know what's normal or not
Just why
is this happening?
That asshole,
To shower first? Really?
SFX: SWISH!
Ahhh.

MM-HM UEDA-SAN? HAVE A MOMENT?
THIS IS YUJI YAMADA. HE'S BEING ASSIGNED TO THE 2ND DESIGN DEPT. TODAY
TODAY.
HE'S THE BEST OF THE NEW HIRES
YAMADA-KUN. THIS IS UEHARA-KUN SHE'S A VET WHO'S WORKED HER WAY UP.
YOU'LL BE LEARNING UNDER HER FOR A WHILE
His hair was short at first. And black
.....
Nice to meet you
YEAH!
NICE TO MEET YOU TOO!
He was cute like that...

Sempai
You're really slow at this.
Sorry!
Uehara sempai
You didn't learn this either in college?
Sempai, is this ok?
Uehara sempai, can you check this?
Uehara sempai
Sempai, here
Sempai
Moron
Sempai
You have long eyelashes, ♡huh?
Yeah .
If I think about it, from the start...

From the start
He was an asshole, really.
He's clever, easy to get along with.
But the execs always take notice of him.
Always favor him.
College grad. .
Good at his job...

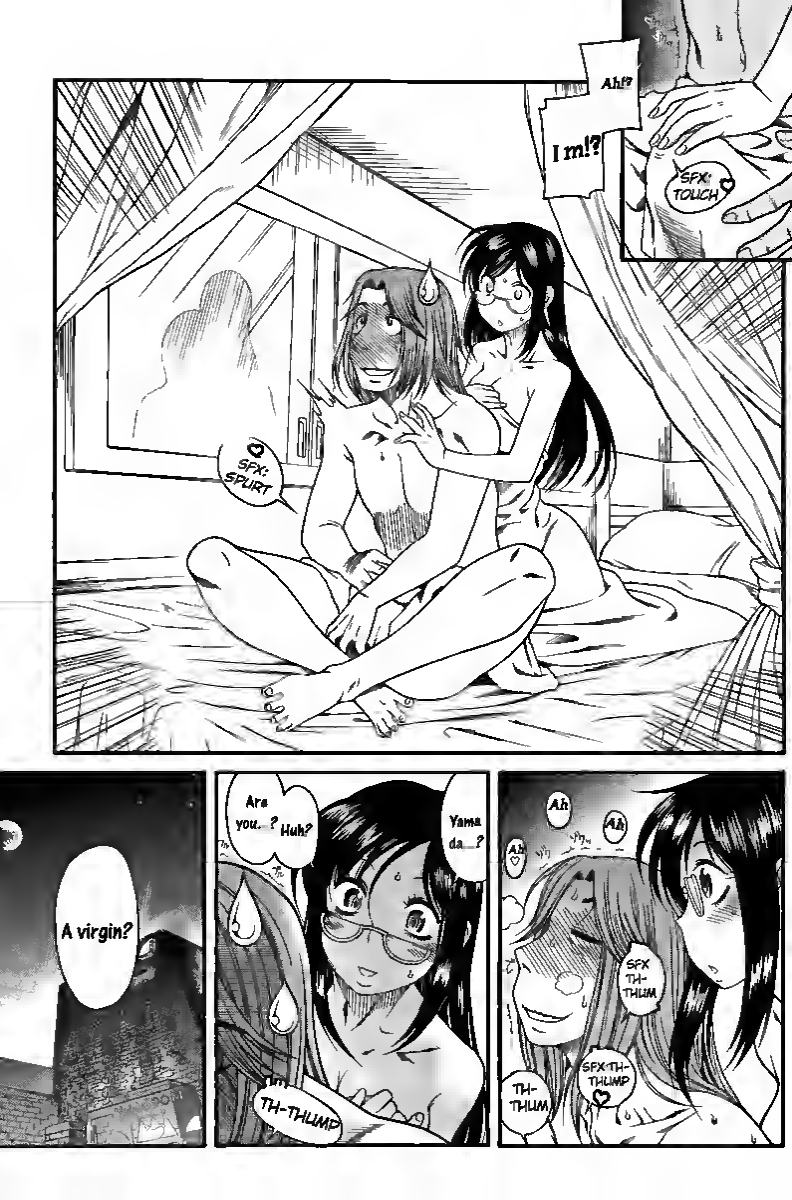
UEHARA-KUN, HOW'S YAMADA-KUN DONE OVER THIS YEAR?
GIVE IT TO ME STRAIGHT.
He's excellent.
Good intuition. Does more than he's asked.
To tell the truth, I don't have much more to teach him.
And that pisses me off
I SEE...
...?
I'M GLAD TO HEAR IT
YOU SEE UEHARA-KUN,
THIS HASN'T BEEN TOTALLY DECIDED YET, BUT

I-I've been in this department since I was hired!
H-has there been a problem with my work?!
Is it because I'm a high school graduate?
OF COURSE THERE'S BEEN NO PROBLEM WITH YOUR WORK
BUT THAT'S A SEPARATE ISSUE
FROM NOW
WE'RE RE-ASSIGNING YOU NEXT YEAR
PROBABLY AS A RECEPTIONIST
Eh?
ASANO-KUN WILL BECOME DEPT CHIEF
YAMADA WILL BE ASSISTANT DEPT CHIEF
...!
You jumped to conclusions
Aw, see!?
And now all of this has to be redone!
Ah.
As if you knew how to do this!
I'm sorry I'll...
Enough!
I'll do it all!
But this is due tomorrow?
Ah.
Uehara sempai.
START LETTING HIM MAKE DECISIONS AS HE'LL BE TAKING OVER
About that ad, I had time so I laid out your rough draft
Don't just go doing things!

Split ends...
30 years old,
. and it's me
The asshole...
is me.
Whatever! Just go home!

Use a condom
Ah, right!
Jus- Just a second.
If it's ok...
Um sempai.

When was...
The last time?
High school, I guess. I was dating back then.
It just hurt,
I haven't use "that" since then
It'll be ok... I hope...
Huh?
Is this the back?
It's stuck
Oh shit.
I tore it with my nail.
What?
Ah, stop sempai!
Hey!
Eh?
SFX: PRESS
My vagina was stinging,
Did I bleed?
Oh god.
What am I going to do?
Well, not much I can do
Sigh... If I wasn't thirty.
I might be able to Set a mood
Be a little more sweet
Hah? Why should I be sweet for Yamada?
Ah, not quite yet
What's wrong?
SFX: ERK
This is taking too long



Ah!?
I m!?

It's my first time.
So...
Eh?
So... are you?
, Yamada.
S-s-s-s-s-so what's wrong with being a virgin?
I-I always went to all-male schools.
So when I got to college, I was all awkward and never
Ah!?
S-sorry, but
but.. I thought you really played around
It's nothing to laugh about, ok?!
So that's it
That's how it is
I see ..
You're mean!
..I mean that you thought that.
And cute
But you seem that way!
You have a nice figure. You're so sociable
And you take pains to dye and grow out your hair
That's cause you...!
Does that mean you,
So
Eh?
Huh?
Ummm ... me?
don't really like me?
That really, you felt like you had to date me.
Huh? No way..
well,
That's about it.
I just said that to make conversation.
I couldn't care less about idols
Anyway, I hate guys with long hair
So I did my hair the same way
that idol Takki.
they said you liked,
'T-that's 'cause when I asked the girls in another dept. about it.
..me?

Things have gotten kinda fun
I wanna tease him more.
Oh!? Sama how.
Hmm? Yamada's reaction is pretty funny
ハダッ
No way..
And somehow, Yeah
SFX. SNICKER
The weird tension has melted.
That must be why..
I'm relieved
So that idiot Yamada's a virgin.
So... he hasn't played around...

I-it was an accident!
I-I did it just like the sample layout they sent
It's just coincidence they look the same
So .. What should we do?
Since the deadline's Monday
Starting now, it'd be hard to get it finished
Just one of those things, huh?
Nothing you can do about coincidence
Isn't it ok to print this?
The client did ok this design
WHAT SHOULD WE DO
UEHARA-KUN?
Ooooh!
Just like a pro
THEY PRINTED FIRST
DON'T MAKE EXCUSES, MURAI-SEMPAI

HOW'S IT GOING?
But
Yeah... that's right
Somehow we did it...
Yep
He'd just get all excited
Well, not like I'm going to tell him or anything
Count on him
I'm going to merge this and then we're done
I'm done here

But seriously, it' great we made it in time
..what should I do in cases like this?
Say some-thing?
Like "thanks for being with me"...
But would he read too much into "being with me"?
Um, well...
I should say thanks, anyhow
Hmm-Hmm
Yamada
AMAZING, SEMPAI
WE MADE IT
YOU REALLY ARE
I REALLY RESPECT YOU
SEMPAI...
